

**BOTANY DOWNS**  
Secondary College

## **MATHEMATICS / ICT**

**Commencing Term 2 2010**

**Permanent Position**

BDSC is seeking an experienced, enthusiastic assistant teacher of Mathematics and ICT. Ability to teach Senior Mathematics is essential and experience with desktop publishing and web design will also be sought. The position is a permanent full-time appointment to commence in Term 2, 2010.

The Learning Area is well-resourced and enjoys a collaborative team approach. As a whanau-based school, oversight of learning progress and personal development of students is an important element of providing an excellent learning environment.

BDSC is a modern, innovative school. Staff are expected to have sound ICT skills and be prepared to participate in the Mentoring, and Co-curricular programmes.

Commitment to our vision, philosophy and co-curricular life of the school is a condition of employment.

Application packs are available on our website at [www.bdsc.school.nz](http://www.bdsc.school.nz).

Completed applications must be addressed to Mrs S Horner and received at BDSC no later than 4 p.m. Friday, 19<sup>th</sup> February 2010
