A Unique Sponsorship Opportunity

Botany Downs Secondary College is proud to offer a unique sponsorship opportunity. The BDSC Golf Classic and Auction is an annual event first organized in 2006. All proceeds from the tournament go towards sport at Botany Downs Secondary College. Now into it's fourth consecutive year the event continues to grow... after raising over \$10,000 dollars in 2008 we are looking to make the event even bigger and brighter than last year.

With the growing pressures on school budgets the college requires extra assistance to provide for over 100 sports teams. The BDSC Golf Tournament and Auction is not just about raising money for a worthy cause but also to raise the profile of your company in a very supportive community. As the tournament is a modified ambrose competition it enables both experienced and novice golfers to enjoy a great afternoon of golf whilst supporting a worthy cause.

It is vitally important that students today are physically active in organised sport. The cost of registration fees and sports uniforms and equipment is often prohibitively expensive. With your support of the BDSC Classic Golf Tournament and Auction, sport will be more accessible and affordable for more students at our college.

Your sponsorship on any level of this golf tournament and auction will enable students from the college to be active in a wider range of healthy sporting activities.

BDSC Classic and Auction Supporters Club

All businesses or individuals that donate goods, prizes and money will become a member of the BDSC Classic and Auction Supporters Club and will receive:

- Acknowledgement in supporters presentation
- Profile and mention at Auction
