Neil (Taiwan)

Hi my name is Neil the Full name is Sung-lin, I come from Taiwan, I came to this school because here have more subject choice, in the NZ my goal is to get enough credit to go to Auckland University. The one thing i like to about studying in NZ is the timetable is so different with Taiwan.

In Taiwan is 8:00AM to 9:00PM but here is 8:30AM to 3:10PM , that will give us more time to do sport and study also give us more rest.
