

Students Driving to School

The Botany Downs Secondary College Board of Trustees encourages all students to walk to school. This is beneficial for the environment, for the health of our children and does not lead to traffic/parking issues with the local community.

We also realise that there may be occasions when students need to drive. To enable this to happen we would expect parents to complete the details below providing the following information:

- Reason for driving request
- Copy of Driver's Licence
- Registration and details of car to be used (make, colour, etc)

Students will **not be permitted to park** in the College grounds or in the narrow streets that surround the College such as:

- Magee Place
- Mellefont Place
- Moy Place
- Magilligan Place
- Millisle Place
- Mulroy Place

Cars parked along these narrow streets occupy the few spaces intended for residents and restrict access for any emergency vehicles.

Please be aware also that Botany Town Centre has restrictions on parking that mean students face their car being towed away with cost to reclaim the vehicle unless parked in the designated spaces and displaying a **BDSC Student Vehicle Pass**.

No passengers should be carried in the cars unless prior arrangement is made that notifies the parents and the College.

The College will take no responsibility for the car or its contents.

Parents must accept responsibility for the Health and Safety of their child travelling to and from the College.
