Gateway	<i>N. Shand-Marcusson</i>

OPTION INFORMATION

The following booklet contains information of the Level 3 programme at BDSC.

- All following subjects will run depending on the number of applicants and availability of staff and facilities (in practical subjects).
- Entry to some courses will be limited.
- Entry to all courses will be at the discretion of the appropriate Head of Learning Area.
- The final selection of standards for each subject (worth approx 18-24 credits) will be made from the standards presented in this option booklet.
- The column labelled “CODES” contains:
 - R or W which identifies standards that can contribute to the Reading and Writing credits for the University Entrance Literacy requirements.
- NOTE: Can not choose both 3FAH and 3TEF
Can only do 1 max of 3TEM, 3TET and 3TEF
Can only do 2 max of 3PHO, 3DES and 3ART (and be wary of a 3rd high internal subject)
Can only do 2 max of 3PED, 3SPL, 3OED/3ODA
Can only do 2 max of 3DIT, 3DIP and 3TEM/3TET/3TEF
Can not choose 23MOS with either 3DIP or 3DIT

VOCATIONAL PATHWAYS

Vocational Pathways is a Ministry of Education tool that has been developed to help students to plan their journey from secondary learning to the work force. Additional information about Vocational Pathways is available in the Level 1 - 3 information book.

The pathways will help students see how learning is relevant to a wide range of jobs and study options, in six broad sectors of industry:

Construction and Infrastructure Sector
 Manufacturing and Technology Sector
 Primary Industries Sector
 Services Industries Sector
 Social and Community Services Sector and
 Creative Industries Sector.

On each option page there is a coloured ticked section indicating which standards relate to which industry sector.

For example Level 3 Spanish:

The achievement standard “AS91570 Interact clearly using spoken Spanish to explore and justify varied ideas and perspectives in different situations ” has links to Service Industries, Social & Community Services and Creative Industries. This gives the student an idea of the real-world application of the knowledge learnt during this standard. What’s my Pathway?

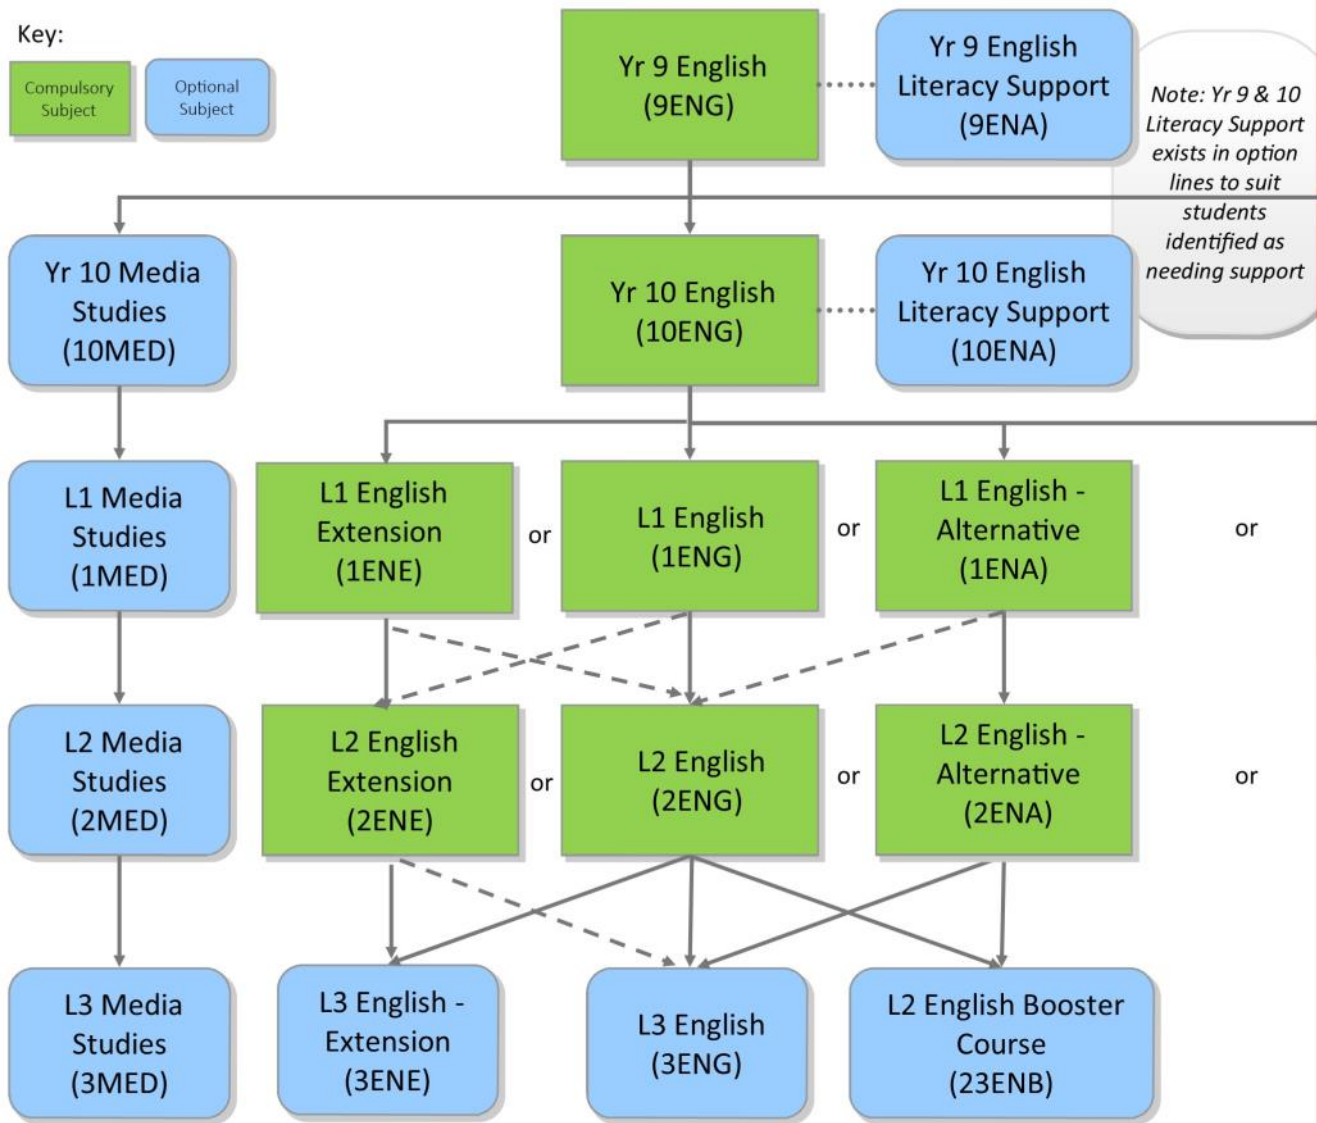

STANDARDS						VOCATIONAL PATHWAYS					
Number	Subject Ref	Title	Int/Ext	Credits	CODES	Construction & Infrastructure	Manufacturing & Technology	Primary Industries	Service Industries	Social & Community Services	Creative Industries
<i>NCEA Internal Achievement Standards/Unit Standards</i>											
AS91570	Spanish 3.3	Interact clearly using spoken Spanish to explore and justify varied ideas and perspectives in different situations	Int	6					✓	✓	✓
AS91572	Spanish 3.5	Write a variety of text types in clear Spanish to explore and justify varied ideas and perspectives.	Int	5					✓		
AS91569	Spanish 3.2	Give a clear spoken presentation in Spanish that communicates a critical response to stimulus material.	Int	3							
<i>NCEA External Achievement Standards</i>											
AS91568	Spanish 3.1	Demonstrate understanding of a variety of extended spoken Spanish texts.	Ext	5					✓		
AS91571	Spanish 3.4	Demonstrate understanding of a variety of extended written/visual Spanish texts.	Ext	5

ENGLISH FLOWCHART 2018

Key:

ENGLISH AS ADDITIONAL LANGUAGE (EAL) FLOWCHART 2018

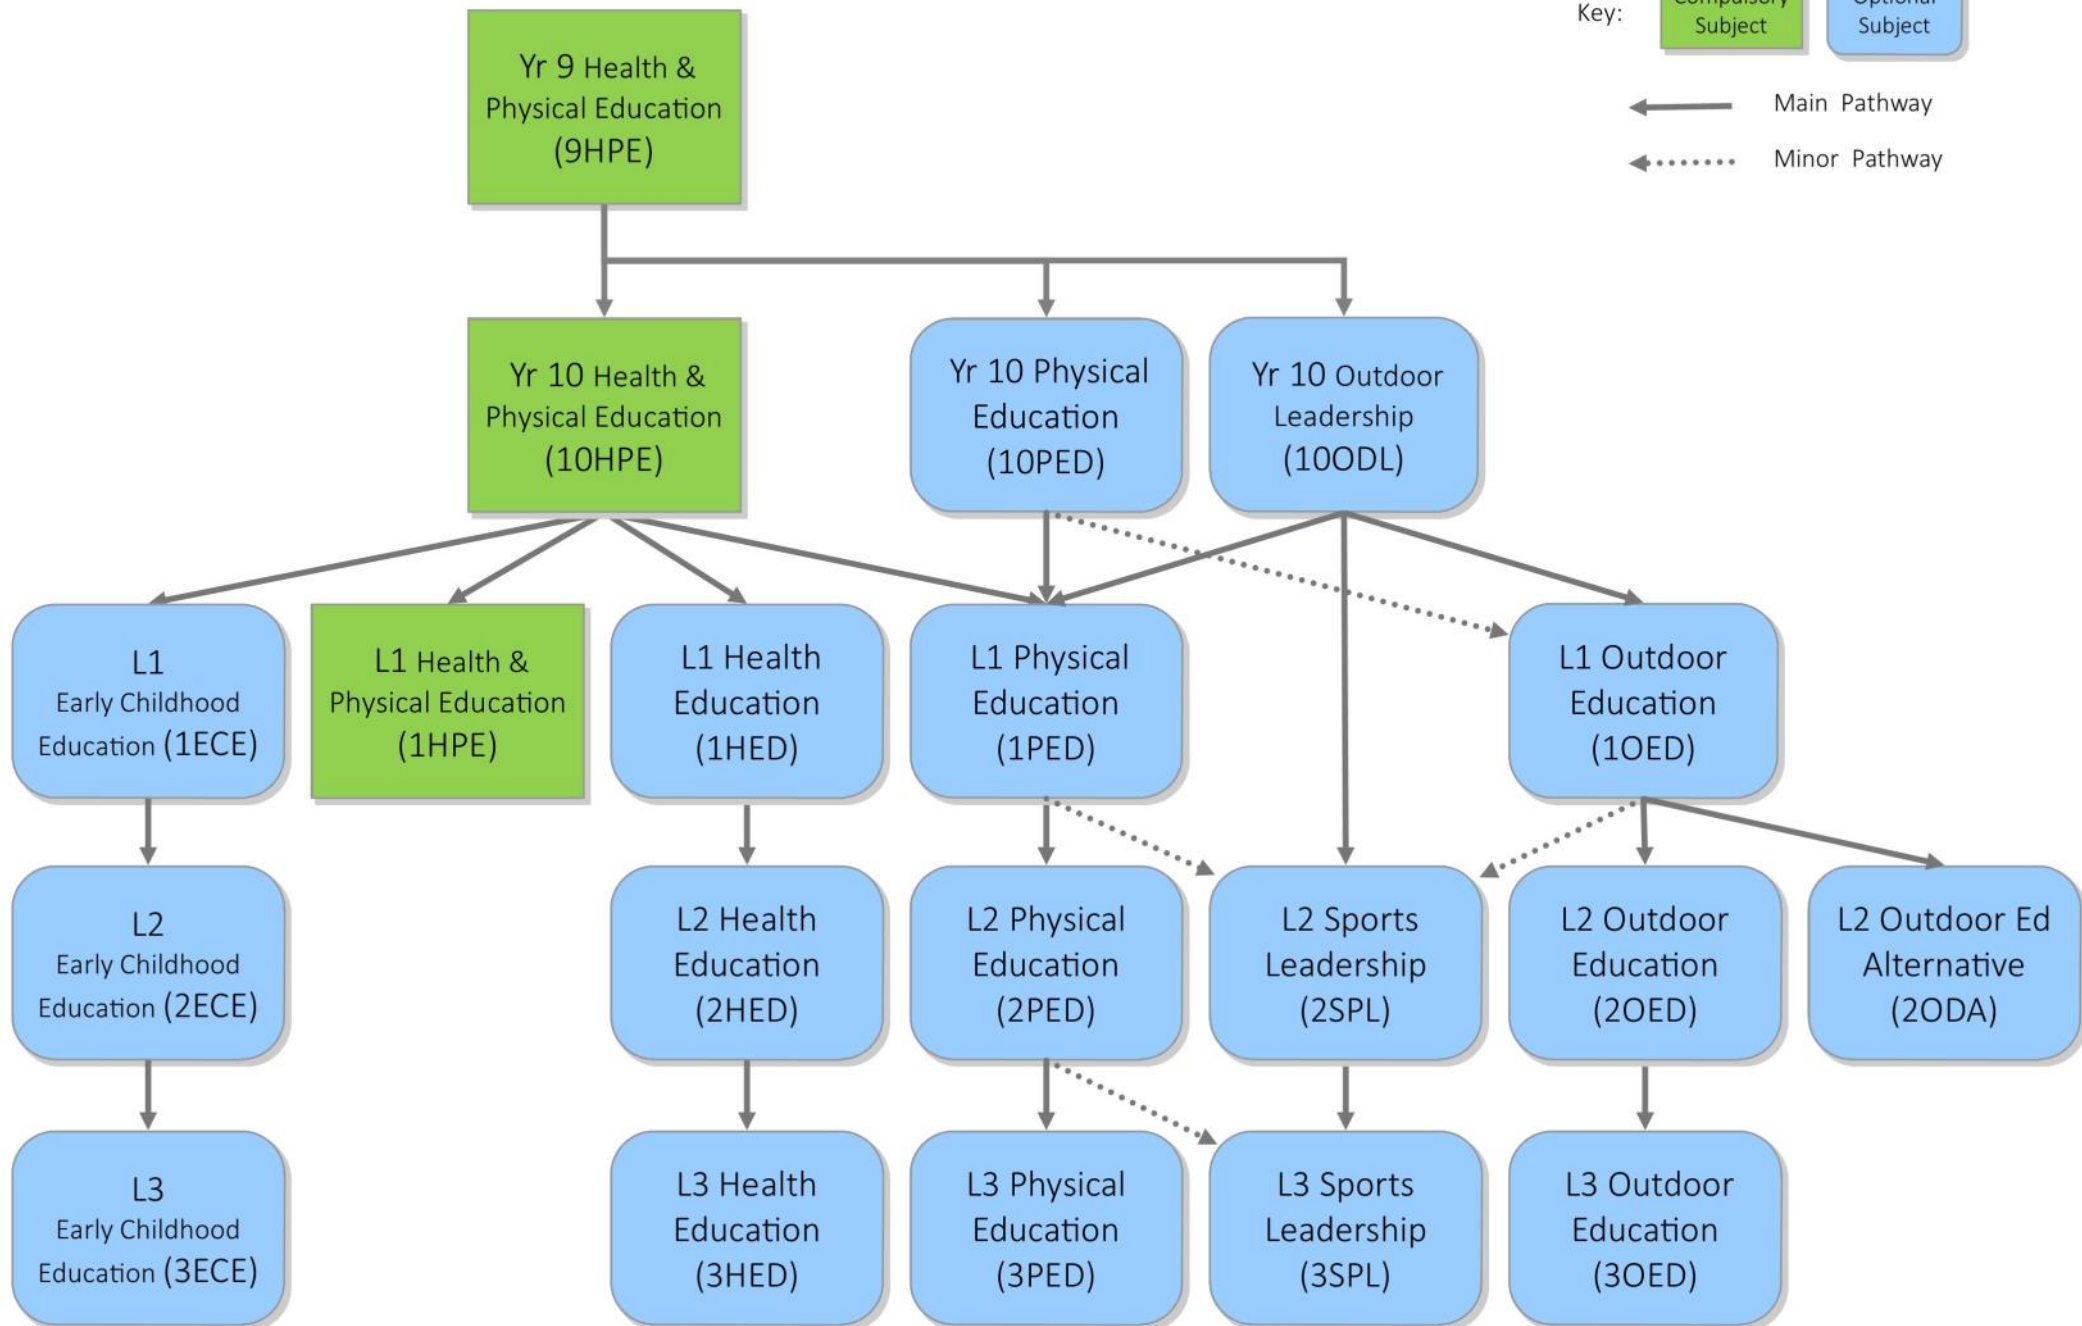

Note: Yr 9 & 10 Literacy Support exists in option lines to suit students identified as needing support

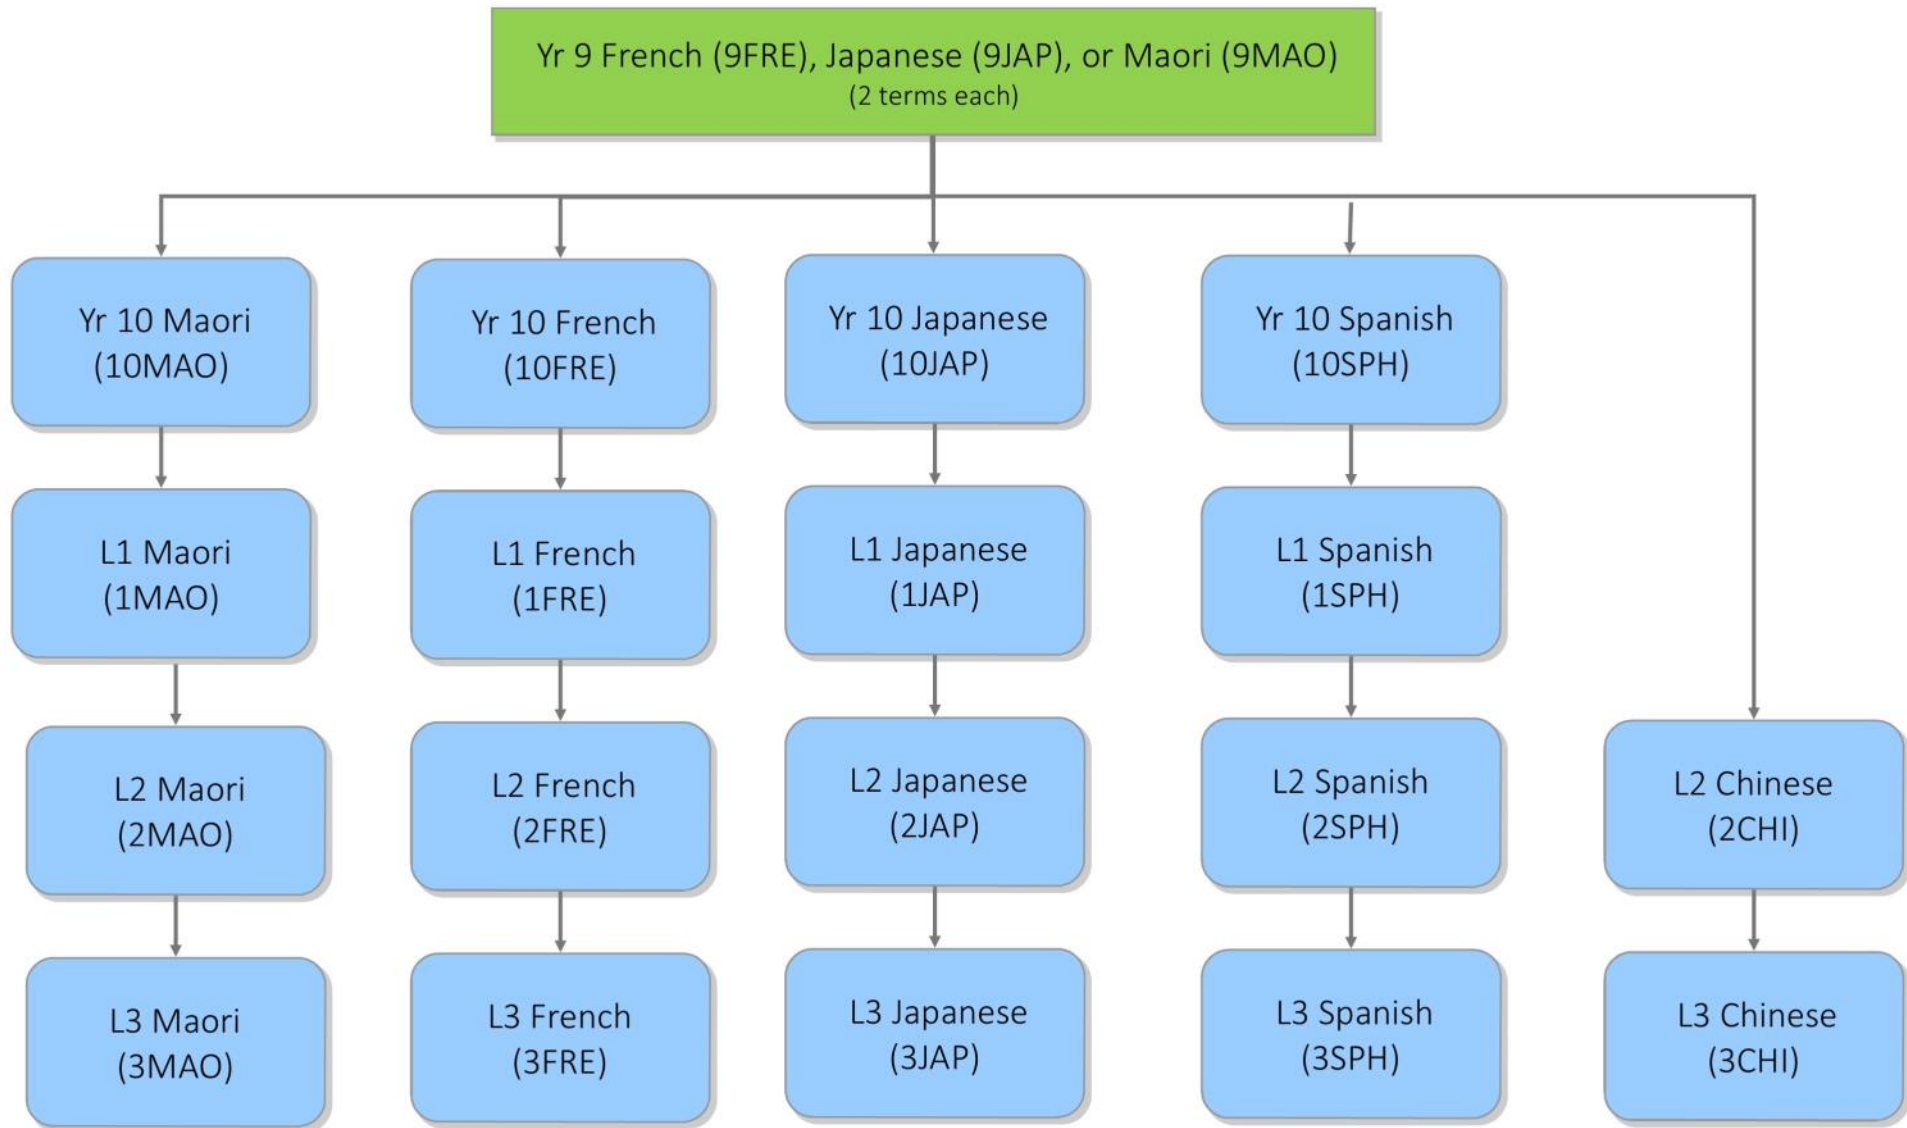

ENGLISH AS AN ADDITIONAL LANGUAGE

At Year 9 and 10 identified students may be removed from a Year 9 class or a Year 10 option line to attend 9ENS or 10ENS/10ENP class to support their language development.
 At Year 11/12/13 identified students may be placed in ENS or ENP instead of ENG, dependant on the Head of EAL recommendation. Students may be swapped between ENS and ENP depending on the level of English.

ACCOUNTING (3ACC)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Accounting
Fieldwork:	Nil
Approximate Course Costs:	Approximately \$60 for workbook and fee Approximately \$40 for trips
Course Leads to:	Tertiary Study and careers in Auditing, Budget Analysis, Financial or Management Accounting and Tax Accounting for Accounting Firms, Government, Corporations or even running your own Accounting firm.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs McArthur
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

The purpose of Accounting is to provide financial and non-financial information to assist decision-making in the management of, and investment in, public and private sector organisations. The major roles of an accountant are to identify, measure, interpret and communicate information relevant to these decisions. In addition, the study of Accounting is designed to promote critical thinking and develop practical competencies, and prepare students for university education and a wide variety of careers. This course builds on the introductory Accounting studied at Level 1 and 2, and moves it into the sphere of partnerships and companies. Concepts are applied to these businesses; processing undertaken and statements are provided.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

STANDARDS							VOCATIONAL PATHWAYS					
Number	Subject Ref	Title	Int/Ext	Credits	CODES	Construction & Infrastructure	Manufacturing & Technology	Primary Industries	Service Industries	Social & Community Services	Creative Industries

ART HISTORY (3ARH)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Art History or 12 Level 2 Literacy credits or at HOLA discretion.
Fieldwork:	Trips to Auckland Art Gallery and/or museum and/or Art History Department at Auckland University.
Approximate Course Costs:	Approximately \$40 for two trips and \$60 for course workbooks.
Course Leads to:	Tertiary Study in Fine Arts/Art History
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Miss Henshaw
HOLA in charge of subject:	Miss Clapperton

COURSE OUTLINE

This is an academic course, which focuses on written responses to art works and their historical contexts. Students study contemporary Western art forms from 20th Century Europe. They are required to research, analyse and respond to given artworks and artists and students learn terminology and language specific to the visual arts. This course prepares students for tertiary study in the arts and complements the Level 3 practical art courses and Classics.

It is recommended that students choosing to take this course have access to their own digital device to use for research, as this forms a large component of the three internal assessments.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

BIOLOGY (3BIO)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	14 credits in NCEA Level 2 Biology including AS91154 AND AS 91157 OR AS91159 and 12 credits (NCEA Level 2 Achievement Standards) in English Students that do not meet the above prerequisites but who still wish to study Biology at NCEA Level 3 should consider the modified Level 3 course (BIA3).
Fieldwork:	EOTC will be carried out at the Auckland Zoo. Approx. costs \$25
Approximate Course Costs:	\$20.00 (Education perfect online resources)
Course Leads to:	Tertiary Study in Biology or related fields
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Darby
HOLA in charge of subject:	Mr Kumar

COURSE OUTLINE

Level 3 Biology continues the themes of Level 2, focusing understanding of genetic change towards speciation, and Human evolution. In addition students are introduced to the behaviours and responses of both plants and animals which allow species continuation and change. Human Biology returns with the study of system responses to the changes in an external environment. In addition students are actively encouraged through teaching and assessment to develop research and reporting skills transferable to many other disciplines. Outstanding students may choose to sit the Biology Scholarship (Level 4) exam at the end of the course.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

BIOLOGY - ALTERNATIVE (3BIA)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Biology including AS 91157 or AS91159 and 8 credits (NCEA Level 2 Achievement Standards) in English
Fieldwork:	EOTC will be carried out at the Auckland Zoo. (Approx. costs \$25)
Approximate Course Costs:	\$20.00 (Education perfect online resources)
Course Leads to:	Tertiary Study in Biology or related fields
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Husted
HOLA in charge of subject:	Mr Kumar

COURSE OUTLINE

Level 3 Biology Alternative continues the themes of Level 2, focusing understanding of genetic change towards speciation, and Human evolution.. Human Biology returns with the study of system responses to the changes in an external environment. In addition to the development of sound knowledge of 21st century biological discoveries, students are also actively encouraged through teaching and assessment to develop research and reporting skills transferable to many other disciplines.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

BUSINESS STUDIES (3BUS)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits (including one external) in NCEA Level 2 Business Studies or at the discretion of HOD Commerce.
Fieldwork:	Students will work with a business to develop an innovative product by assisting them to develop it.
Approximate Course Costs:	\$60 for EOTC + \$35 YES Registration
Course Leads to:	All students who take Business Studies potentially gain the knowledge, skills, and attributes required to become entrepreneurs, run their own business. Some students may pursue further qualifications in Business Studies or commerce at polytechnics, wānanga, or universities.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Sharma
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

The study of business is about how individuals and groups of people organise, plan, and act to create and develop goods and services to satisfy customers. Business is influenced by and impacts on the cultural, ethical, environmental, political, and economic conditions of the day. Issues such as sustainability, citizenship, enterprise, and are central to both business and the study of business.

The knowledge and skills gained in business studies, and exposure to enterprise culture, can help shape “creative, energetic, and enterprising” young people who will contribute to New Zealand’s economic future.

In Level 3 Business Studies, students develop their understanding of business theory and practices in a range of relevant contexts, through experiential as well as theoretical approaches to learning.

Students will gain knowledge, skills, and experience to :

- Analyse how and why businesses in New Zealand operating in the national and global markets make operational and strategic decisions in response to interacting internal and external factors.
- Plan, investigate a product with an export potential and link it to a business marketing plan.
- Students will plan and carry out their own business.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. “What is your pathway?” Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

CALCULUS (3MAC)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	Merit or better in AS 2.6 - Algebra , AS 2.7 - Calculus and Merit or better in AS 2.4 Trigonometry or AS 2.2 Graphs.
Fieldwork:	Nil
Approximate Course Costs:	Workbook \$35, FX9750GII Casio Graphic calculator - approximately \$120 is compulsory
Course Leads to:	This course will lead to University courses in engineering, sciences and any field where mathematical analysis is important.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Hu
HOLA in charge of subject:	Ms Bennet

COURSE OUTLINE

Level 3 Calculus will assess all five Calculus Level 3 Achievement Standards giving a total of 24 credits. The aims of the standards are to consolidate and extend students' ability in algebraic, graphical and computations skills, to extend students' ability to formulate problems in mathematical terms and advance students' understanding of the nature of mathematical reasoning. This highly academic course also enables students to work towards scholarship level.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. CALCULUS ALTERNATIVE (3MCA)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	Must have at least an achievement or better in AS 2.6 - Algebra , AS 2.7 - Calculus and one of AS 2.4 Trigonometry or AS 2.2 Graphs.
Fieldwork:	Nil
Approximate Course Costs:	Workbook \$35, FX9750GII Casio Graphic calculator -approximately \$120 is compulsory
Course Leads to:	This course will lead to University courses in engineering, sciences and any field where mathematical analysis is important.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Hu
HOLA in charge of subject:	Ms Bennet

COURSE OUTLINE

Level 3 Calculus-Alternative will assess four Calculus Level 3 Achievement Standards giving a total of 23credits. The aims of the standards are to consolidate and extend students' ability in algebraic, graphical and computations skills, to extend students' ability to formulate problems in mathematical terms and advance students' understanding of the nature of mathematical reasoning.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

CAREER PATHWAYS (3CAP)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	It is preferred that students have completed NCEA Level 2. Students MUST have approval for this course from having an interview with the Vocational Pathways Manager. Further consultation with a member of the Senior Leadership Team or their Whanau Leader is also recommended before final placement in this course.
Fieldwork:	A work experience placement through the Gateway programme may be offered to students who did not complete one in Y12. These Gateway students are required to complete 30-40 hours of unpaid work experience in a relevant setting during the April or July holidays.
Approximate Course Costs:	Nil
Course Leads to:	Employment, apprenticeship, or further education.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Stewart (Vocational Pathways Manager)
HOLA in charge of subject:	-

STANDARDS

Standards for this course are likely to be selected from those listed below although these will be at the discretion of the TIC.

Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

COURSE OUTLINE

The Career Pathways course is a vocational programme designed to equip students with life and industry skills which will help students when they leave school. Most of the course is based on communication standards. These have an emphasis on reading and writing skills. Students will complete the core standards in class and, if not undertaken in Year 12, may be offered a Gateway work experience placement. Please be aware that the content of the course will be customised according to the needs of the cohort.

Work placements will vary depending on students' interests and the availability of places. Gateway provides opportunities in a range of fields including, but not limited to: Retail, Hospitality, Banking, Fashion, Hair and Beauty, Automotive, Electrical, Health and Child Care.

There may be an opportunity to work with an outside agency for an Events Management course. Alternative standards would be available in this course.

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

CHEMISTRY (3CHE)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	At least 2 or 3 external papers achieved in NCEA Level 2 Chemistry and at least 12 credits in Level 2 Mathematics. Students that passed internal chemistry papers yet do not meet the above prerequisites will not be signed into the course.
Fieldwork:	Nil
Approximate Course Costs:	\$20.00 Online Resources.
Course Leads to:	Tertiary Study in Chemistry or related fields
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Sharma
HOLA in charge of subject:	Mr Kumar

COURSE OUTLINE

Chemistry is the study of the composition and properties of matter, and the changes it undergoes. Students will sit the NCEA Level 3 Chemistry examinations at the end of the course. Outstanding students may choose to sit the Chemistry Scholarship (Level 4) exam at the end of the course.

Students will start the year with the oxidation—reduction processes internal assessment followed by the three topics leading towards the school practice examinations for externals. The remaining spectroscopy internal will be done in August before the school practice examinations.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

CHINESE (3CHI)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	Students should have completed a minimum of 12 credits at level 2 at Achieved level. Some exceptions may be granted to students who are
Fieldwork:	Nil
Approximate Course Costs:	Level 3 workbook / language perfect is \$30.
Course Leads to:	Students who achieve at Level 3 will comfortably handle first-year University Chinese and, with exceptional results, may be granted direct entry to second-year Chinese studies.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Kuang
HOLA in charge of subject:	Miss Lodge

COURSE OUTLINE

Year 13 Chinese course is designed to explore the country and its culture and customs, looking at youth issues, travel, and working in China. With increasing grammatical and vocabulary knowledge, students are able to explore more deeply the Chinese society and culture and express their opinions about them with greater competence. The Year 13 Course is made up of 5 standards as outlined below. Topics may include 'Culture and festivals', 'NCEA & University entrance', 'Community involvement', 'Part-time job', 'Film review' and 'Future Plan'. By the end of Year 13, students will have presented for assessment in 24 credits of NCEA Level Three.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

CLASSICAL STUDIES (3CLS)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in one of NCEA Level 2 Achievement Standards History, Classical Studies or English (including at least <u>one</u> of AS91233, AS91234, AS91098, AS91100, or AS91101)
Fieldwork:	Nil
Approximate Course Costs:	Nil
Course Leads to:	Tertiary Study in Ancient History, Classical Studies, English, and is useful for Law.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Mihajlov
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

Classical Studies is a holistic study of the Greek and Roman civilisations. It covers philosophy, art, architecture, society, politics, drama, literature and history. Level 3 Classical Studies focuses on introducing the ancient world to students and on developing the skills necessary to study ancient history. The study of ancient history involves looking at all aspects of a society in order to piece together what life would have been like, beliefs and values of the people of that time and the major historical events of the period. Possible topics covered are the campaigns and cultural fusion of Alexander the Great, the philosophies of Socrates, a study of Aristophanes' Comedies, and the study of Athenian Art and Architecture.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

DANCE (3DAN)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	Level 2 Dance, Level 2 English
Fieldwork:	\$40
Approximate Course Costs:	\$50
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Rakanui
HOLA in charge of subject:	Mrs Rakanui

COURSE OUTLINE

The Level 3 Dance course will focus on the following: Choreography, Dance Perspectives, and Dance for Performance. Dance is a subject which explores a range of Dance practices, Choreographic techniques, and Dance theories. Dance at Level 3 is both physically demanding and mentally challenging. Students are required to dance daily as well as complete a daily journal.

The Level 3 dance programme has a strong New Zealand focus, students will work with New Zealand Choreographers and guest tutors. Students will develop a broad range of dance techniques. A small sample would include; Contemporary Dance, Composition and Choreography, Ethnic Dance, and Social Dance.

Students are required to rehearse as part of their on-going homework in this subject and are required to view a minimum of two live dance performances.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

DESIGN & VISUAL COMMUNICATION (3DVC)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	At least 12 credits in NCEA Level 2 DVC or 20 credits in Level 1 DVC
Fieldwork:	Nil
Approximate Course Costs:	\$40
Course Leads to:	Tertiary Study in Design and Visual Communication
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Achary
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

Level 3 Design & Visual Communication will build on the experiences of Level 2 DVC and will enable students to apply their acquired knowledge to an area of their choice (Spatial or Product design). The design opportunities will enable students to explore areas of DVC that better suit their interests and strengths. This will enable them to achieve in both the internal and external achievement standards through the production of design work, working drawings, models and through testing and evaluation. They will also plan and produce illustrative presentation portfolios through smart planning. Innovation and authentic ideation is a critical part of the Level 3 DVC course.

Students can also enter for scholarship in DVC if their portfolio of work and presentation shows innovative design practice and application of advanced graphics skills.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

DIGITAL TECHNOLOGIES WITH PROGRAMMING (3DIP)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits from 2DIP or See Head of DIT for accessing online courses to meet prerequisites.
Fieldwork:	Compulsory trip to software company
Approximate Course Costs:	\$10 Online course, \$10 USB memory stick
Course Leads to:	Tertiary study in computer science or employment in IT/Business
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Patchigalla
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

This is a university approved subject suitable for academic students. It continues with computer programming but works on designing object-oriented programming that are modular and have a graphical user interface. It also looks at key areas of computer science such as Software Engineering and Intelligent Systems. Students will also design and implement a complex database with web interface using phpMyAdmin, PHP/SQL, HTML/CSS/JavaScript. They also learn to implement a wide area network.

Several NZ Universities including Auckland University give recognition for prior learning (RPL) to students who have achieved AS91610, AS91636 with Merit or Excellence, they do not need to enrol for COMPSCI 101: Principles of Programming in their first semester or COMPSCI 105: Principles of Computer Science in their second semester.

Please note students can only take a maximum of two subjects from 3DIT, 3DIP, and one of 3TEM/3TET/3TEF

This is a NCEA Level 3 university approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

DIGITAL TECHNOLOGIES WITH INFORMATION SYSTEMS (3DIT)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits in 2DIT/2DIP or See Head of DIT for accessing online courses to meet prerequisites.
Fieldwork:	Compulsory trip to software industry
Approximate Course Costs:	\$10 Online course, \$10 USB memory stick
Course Leads to:	Tertiary Study ICT related areas
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Patchigalla
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

This is a university approved subject. This course is designed to develop complex skills in Digital Technologies and is focused on media (web) and database development. Students will acquire a range of practical skills and demonstrate these using various software applications as required to produce a solution for a project. Specifically, students will develop skills associated with writing JavaScript, complex tools and techniques in HTML, CSS and creating and managing relational databases. Software used will include Photoshop, Illustrator, phpMyAdmin, Notepad++ or similar applications.

Please note students can only take a maximum of two subjects from 3DIT, 3DIP, and one of 3TEM/3TET/3TEF

This is a NCEA Level 3 university approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

DRAMA (3DRA)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	14 credits in NCEA Level 2 Drama or HOD approval
Fieldwork:	Students will be required to see at least two productions in preparation for the external exam - productions to be advised.
Approximate Course Costs:	Fieldwork expenses approximately \$40
Course Leads to:	Scholarship and Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Hood
HOLA in charge of subject:	Ms Hood

COURSE OUTLINE

This course is a progression from Level 2 Drama. The Level 3 course is an exciting and challenging course which will assist you in further developing your skills of collaboration, creativity, innovation and interpretation. The course provides an opportunity to use and explore the elements, conventions, techniques and technologies in specific dramatic forms, both practically and in written analysis. You have the opportunity in the course to become directors, designers, playwrights and producers of your own work and that of other students. You will rehearse and perform works in a range of dramatic forms, as well as respond to the work of others. Class work is a mixture of group and individual tasks, and it is important for you to work co-operatively in a group, as well as independently. At Level 3 the content and contexts for exploration and performance are more challenging, enabling you to develop your thinking and response to the work in practical performance. Leadership and collaboration opportunities increase as you are able to mentor younger students, particularly in co-curricular activities. Skills acquired in the course translate well to a number of fields and prepare students to confidently present themselves as creative and innovative thinkers and learners. Please be aware that most Achievement Standards will be assessed during public evening performances, and audiences are welcome to view these performances. You will be expected to attend at least two professional live theatre productions during the year. For those students who are interested in studying Drama, this knowledge and experience underpins many of the skills essential in a number of careers such as psychologist, courtroom lawyer, positions in the arts and media, radio and television, journalism, advertising and print media. Level 3 Drama develops skills which will assist you in your career aspirations.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

EARLY CHILDHOOD EDUCATION (3ECE)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits at Year 2ECE or an interest in Early Childhood
Fieldwork:	Visits to Early Childhood centres
Approximate Course Costs:	Nil
Course Leads to:	ECE based tertiary courses
Course Provider/Assessor:	MIT
Teacher in charge of subject:	Mrs McGregor
HOLA in charge of subject:	Mr Saville

COURSE OUTLINE

The MIT Certificate of Achievement in Early Childhood Education Level 3 is designed for Year 13 students. These units follow on from the Level 2 Certificate of Achievement in Early Childhood Education and continue to build students' knowledge and skills in the education and care of young children in early childhood education settings. This course aims to prepare students to advance into higher level early childhood education and care. The programme is made up of one compulsory Unit Standard and a choice of three options at Level 3. Students will need to complete a minimum of 14 credits to achieve at Level 3. Students will need to have the opportunity to participate in an early childhood setting to meet the assessment requirements on this program.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

ECONOMICS (3ECO)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Economics (including one external) or at the discretion of HOD Commerce.
Fieldwork:	To Wellington: Reserve Bank of NZ ,Treasury NZ , NZ Statistics to be confirmed or Waihi Gold Mine
Approximate Course Costs:	Course Workbook - \$44 (2 Books) plus elearn economics web resource
Course Leads to:	Tertiary Study in commerce/business, marketing, construction economics (quantity surveying), forestry, farm management, journalism and teaching. Careers in manufacturing, transport, communications, banking, insurance, investment and retailing industries, as well as in government agencies, consulting and charitable organisations
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Sharma
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

Level 3 Economics splits into two sections. It starts by building upon Level 2 Economics by looking at Aggregate Economics, often referred to as macroeconomics. This area investigates the whole economy, looking at GDP, Inflation, International trade and government policies associated with these issues. The course then moves into microeconomics. Students focus on the economics of individual markets and how the characteristics of and influences on these markets affect their ability to efficiently answer the central economic problem of scarcity.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

ELECTRONICS (3ELE)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	14 credits in NCET Level 2 Electronics including US 18239 (circuit theory) and 12 Credits in Level 2 Mathematics (Achievement Standards) OR 10 or more credits in Year 12 Physics including Electricity (AS90257)
Fieldwork:	Workplace/tertiary provider visits as possible (TBA)
Approximate Course Costs:	NCET \$15
Course Leads to:	Tertiary study in electronics and electrical engineering
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Raj
HOLA in charge of subject:	Mr Kumar

COURSE OUTLINE

Electronics is the study and design of control, communication and computing devices that depend on electricity in circuits that contain different components. This course is for people who want to understand more about electronics or pursue a career in this field. Students will learn how to construct electronic circuits and use these to develop new products. They also learn how semi-conductor devices work, study the digital and analogue concepts and use these to understand and develop communication systems and investigate electronic product reliability. This course builds upon the knowledge and skills gained in the Level 2 course. It covers the function and use of additional electronic components and the construction of more advanced circuits. Analogue and digital electronics are covered in more detail as is the generation and transmission of electronic signals. Finally, programmable microcontrollers are studied in the context of mechatronics (smart machines). This course is now offering Achieved, Merit and Excellence grades.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

ENGLISH - EXTENDED (3ENE)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	UE Literacy (5 reading and 5 writing credits at Level 2), as well as Achievement with Merit/ Excellence in at least two external English achievement standards, including unfamiliar text.
Fieldwork:	There may be attendance required at the occasional film and/or theatre performance.
Approximate Course Costs:	Workbook: \$20
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Rooke
HOLA in charge of subject:	Ms Pinnell

COURSE OUTLINE

This is an academic course where the literature covered will be substantially more advanced than Level 2 English. This course is designed for students who wish to study English rich subjects at university, and may be considering taking Scholarship English. Classes are discussion based and students are expected to read widely and undertake independent study.

This course involves a detailed Shakespeare unit of work.

Entry into this course is at HOLA discretion.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

ENGLISH (3ENG)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	UE Literacy (5 reading and 5 writing credits at Level 2), as well as Achievement in at least two external English achievement standards.
Fieldwork:	There may be attendance required at the occasional film and/or theatre performance.
Approximate Course Costs:	Workbook: \$20 Theatre/film attendance \$15
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Rooke
HOLA in charge of subject:	Ms Pinnell

COURSE OUTLINE

This course is designed for students who have had success in Level 2 English and require Level 3 English for further tertiary study. This is a reading/writing and speaking based course and text units studied will require a more advanced level of critical response. Students are expected to read widely in their own time as well as complete independent study.

Two external standards are offered in this course. Students may be entered into 3.3 as an extension opportunity with HOLA/TIC approval.

Entry into this course is at HOLA discretion.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

ENGLISH - LEVEL 2 BOOSTER (32ENB)

COURSE INFORMATION

Qualification and level:	NCEA Level 2 (for Year 13 students)
Course Prerequisites:	None. Course is designed for Year 13 students who have not met the pre-requisites for Level 3 study.
Fieldwork:	N/A
Approximate Course Costs:	N/A
Course Leads to:	University Entrance
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Scott-Knight
HOLA in charge of subject:	Ms Pinnell

COURSE OUTLINE

This course is designed exclusively for Year 13 students who have not met the pre-requisites for Level 3 study, but still want to develop their creativity, comprehension, and discursive writing skills before starting tertiary study. It is also a good option for students who intend to apply to Auckland University, and need a minimum of 17 English credits, which they might not have gained in Year 12.

The course focuses on the study of visual texts, in their various forms: film, documentary, advertising, etc., and short written texts, such as poetry, short stories and editorial writing.

Students will also be given the opportunity to resit some internal standards not achieved in Year 12, in order to meet the UE Literacy requirements.

Students may be given the opportunity to sit some external Level 3 standards; this will be at the discretion of the TIC/HOLA.

Entry to this course is at the discretion of the HOLA.

NOTE: This course does not count as a Table A subject for University Entrance.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

FINANCIAL STUDIES (3FIN)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	65 credits at NCEA level 2 including 8 credits in Level 2 Maths. Students who do not meet the prerequisites may make an application for this course or at the discretion of HOD Commerce.
Fieldwork:	To be advised
Approximate Course Costs:	\$20 (online FLP learning resource)
Course Leads to:	Further study in Finance, Business, Commerce programmes
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Sharma
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

The course aims to foster financial understanding, improve investor skills, and provide a format for designing a life strategy. It takes a more analytical approach than the Financial Literacy program and is expected to qualify for NCEA credits. Level 3 Finance covers such topics as investments, financial planning, student loans, external influences on investment decisions. Level 3 Finance is about personal financial management for the future where as Level 2 Financial Literacy is about personal financial management for the present.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

FOOD & HOSPITALITY (3FAH)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	14 credits in NCEA Level 2 Technology / FAH or Level 1/2 Technology or HOLA approval.
Fieldwork:	Nil
Approximate Course Costs:	\$150 (basic course ingredients to be supplied, students may also be asked to bring food items). Competition Fee \$35 (optional)
Course Leads to:	Tertiary Study at MIT / AUT or other - Hospitality / Catering / Management / Modern Apprenticeship opportunity
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Thomson
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

This course is a continuation of Level 2 Food & Hospitality and incorporates further opportunity to develop skills in food and beverage service, catering and cookery at Level 3. Students will be introduced to the art of coffee making and develop food and beverage skills incorporating hands-on experience in the food industry. There is also the expectation that students choosing to take this course will show a high level of commitment, energy and resourcefulness in order to complete the year's study.

Please note students can not take both Food & Hospitality (3FAH) and Food Technology (3TEF).

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

STANDARDS						VOCATIONAL PATHWAYS

FOOD TECHNOLOGY (3TEF)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	14 credits in NCEA Level 2 Technology or 14 credits in Level 1 Technology or HOLA approval.
Fieldwork:	Nil
Approximate Course Costs:	\$150 basic course ingredients to be supplied, students may also be asked to bring food items). Competition Fee \$35 (optional)
Course Leads to:	Tertiary Study in Technology studies— Technologist /Hospitality /Food Industry
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Thomson
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

This course is based on the Technology Curriculum and will be assessed against four Technology Achievement Standards. It provides the opportunity for students to gain up to 20 credits at Level 3. There is no examination; however one Achievement Standard will be assessed through external marking. Students will use a technological approach to develop innovative and creative problem solving skills. Advanced practical skills in a wide range of materials are encouraged along with the learning of techniques and processes. All the standards will be attached to a unit of work on 'Food Innovation - Designing for the real world'.

Please note students can not take both Food & Hospitality (3FAH) and Food Technology (3TEF).
Please note students can choose only one from of the following Technology options: 3TEM, 3TET, 3TEF.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

FRENCH (3FRE)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	Student must sit all the standards and obtain at least 10 credits in NCEA Level 2 French including AS 91121 (reading). An interview might be required at the discretion of the TIC
Fieldwork:	Cheese evening and French Film Festival
Approximate Course Costs:	Course costs \$25 including the yearly subscription to Language Perfect website.
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Killip
HOLA in charge of subject:	Ms Lodge

COURSE OUTLINE

"The more languages you know, the more you are a person " - (Bulgarian proverb)

This course consolidates students' confidence to express and exchange ideas to establish real communication in French. Students will gain the skills to understand authentic and up to date materials (magazines, movies, internet sites), to express opinions, to retell stories and events, to present facts and arguments to inform, persuade on a range of topics such as a French region of your choice, your future career, current environmental, cultural and social issues. The assessments for Level 3 French consist of a writing portfolio, an interaction portfolio, a reading exam and a listening exam. You will also have the option of attempting the Spoken Presentation Achievement Standard. This is at the discretion of the teacher.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. GEOGRAPHY (3GEO)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Geography or Level 2 English (Achievement Standards) or Level 2 History or Level 2 Classical Studies.
Fieldwork:	One day field trip to Muriwai Beach, a three day fieldtrip to Rotorua and a one day field trip within the Auckland Region to carry out research.
Approximate Course Costs:	Fieldwork expenses - \$360 (Rotorua) estimated cost, \$30 (Muriwai) estimated costs, (Auckland) research field trip estimated cost \$20.00
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Miss Brodie
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

Geography is the study of our environment, the way people have changed it to meet their needs — and our place in it. Geographers try to understand what makes up the natural and cultural environment and how these elements interact. As geographers, students are encouraged to develop their ability to think about and synthesise material from a range of sources, (including statistics, photographs and aerial imagery, spatial technologies, reports, interviews), then use this material to write their own reports. The transferable skills developed in the study of Geography will be of significant benefit to students intending to study at University.

The course will look at the natural processes that shape the Auckland coastal environment, contemporary issues and cultural processes operating at a global and national scale. Carrying out research within the local community will enable students to develop and apply a range of practical skills. There will be a three day field trip to Rotorua.

The achievement standards that will be offered for assessment will be *selected* from those listed below and will offer students a total of between 18 and 23 credits. Not all achievement standards listed will be offered. Students have some degree of choice as to which standards they choose to enter from those that will be offered in 2018, the topics that they work on for the standards that they choose and the order in which they complete this work.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. HEALTH EDUCATION (3HED)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits in NCEA Level 2 Health Education - 5 credits from 2.1 (external exam) or HOLA approval (you will need to have proven ability in English)
Fieldwork:	Nil
Approximate Course Costs:	Nil
Course Leads to:	Tertiary Study in the Health Sector
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mrs Leidh
HOLA in charge of subject:	Mr Saville

COURSE OUTLINE

In the Level 3 Health Education course students will build on the knowledge gained in Health Education at Levels 1 and 2, and study broader societal issues that affect the health and well-being of whole communities or populations. They will extend their ability to think critically about societal issues affecting well-being, considering issues in relation to personal, interpersonal and societal perspectives and the wider factors that determine health outcomes, as well as relevant attitudes and values of Health Education and models of health promotion.

Students will analyse relevant health issues of current public concern, both in New Zealand and internationally. They will research and evaluate a range of health practices currently used in New Zealand to treat particular health conditions, and examine and debate the different perspectives of contemporary ethical issues in relation to well-being. Students will engage in a variety of learning activities to develop their understanding of key ideas and concepts, including interactive group work, class and group-based discussions, research and investigations, and academic writing.

The knowledge and skills developed through the Level 3 Health Education course will enable students to develop and demonstrate their understanding of the underlying health concepts in relation to health issues, develop their research skills and ability to produce academic writing that is evidence-based, and provide a pathway for tertiary study related to social and health sciences and/or a related career.

The course will be co-constructed with the students at the beginning of the year using a selection of the standards below.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

HISTORY (3HIS)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in one of NCEA Level Two Achievement Standards History or Classical Studies or Geography or English (including at least <u>one</u> of AS91233, AS91234, AS91098, AS91100, or AS91101)
Fieldwork:	Nil
Approximate Course Costs:	Nil
Course Leads to:	Tertiary Study in History or any University research based course
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Miss Douglas
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

Level 3 History is the culmination of the course providing a transition to tertiary studies. It demands a higher level of thinking. Through this study students will develop skills in research, interpretation, evaluation, historical empathy and analysis. There is a shift in emphasis towards a consideration of historical method, and historiography – what is involved in the craft of the historian. Students are expected to argue a convincing case in answer to searching historical questions. By the end of the course students will have studied in depth some key historical developments of yesterday's world which will contribute to understanding their society. At Level 3 the themes will **possibly** include: Aspects of Nineteenth Century New Zealand; the Cold War; a Civilisations topic (Salem Witch Trials as Social, Political and Economic History); and Historiography.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. JAPANESE (3JAP)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits in NCEA Level 2 Japanese including standard 91136 (Reading)
Fieldwork:	Possible competitions: AUT Speech Competition, Trip to a Japanese stone spa, ramen restaurant and Auckland Museum (\$50)
Approximate Course Costs:	Course Costs— \$38.00 including subscription to Education Perfect and foo used in Japanese cooking lessons; Course book ~ \$35
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Lodge
HOLA in charge of subject:	Ms Lodge

COURSE OUTLINE

How many languages you know - that many times you are a person. (Pavlo Tychyna, Ukrainian proverb)

A practical course that looks at language survival skills and developing fluency in the language so that the students can visit Japan independently in the future if they desire. Topics in focus include: Shopping and Eating Out, Planning a Trip and Travelling in Japan. Year 13 students will also complete a unit on Future Plans and Work which looks at careers where they can use their Japanese. At Year 13, students also have the option of also attempting the Spoken Presentation Achievement Standard. This is at the discretion of the teacher.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

MATHEMATICS (3MAT)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	At least 14 credits in NCEA Level 2 Mathematics and Statistics including AS91267-Apply Probability methods in solving problems
Fieldwork:	Nil
Approximate Course Costs:	Workbook-\$35, FX9750GII Casio Graphic calculator -approximately \$120 is compulsory
Course Leads to:	University Entrance
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Miss de Brouwer
HOLA in charge of subject:	Ms Bennet

COURSE OUTLINE

Level 3 Mathematics is for students who wish to continue studying Mathematics at level 3 to gain university entrance or for other future employment.

This course will assess six Level 3 achievement standards from the Calculus and Statistics standards giving a total of 22 credits. This course will cover themes related to operations research, optimisation and data analysis. These standards have been selected because they develop skills that would appropriate in a wide range of tertiary courses and future careers.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

MICROSOFT OFFICE SPECIALIST (23MOS)

COURSE INFORMATION

Qualification and level:	NCEA Level 1, 2 (multi level)
Course Prerequisites:	Open entry or By application to/recommendation of Whanau Leader or Deputy Principal
Fieldwork:	Nil
Approximate Course Costs:	Nil
Course Leads to:	Vocational pathway in services and/or social and community services
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Patchigalla
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

Microsoft Office Specialist (MOS) is an international certification of proficiency in the Microsoft Office suite of applications, providing valued skills for employment, using the worlds most popular business suite. BDSC is a certification centre as a Microsoft Imagine Academy. The course is expected to be self-paced, so that students will master different application using a variety of learning resources and activities (print, e-books, online videos). Ideally, students will complete project-based learning and assessments from other subject areas to develop these skills. The assessment is by online testing within the applications.

Students can gain MOS in Word, Excel, PowerPoint, Access, and OneNote. The Microsoft Office Expert is also possible in Word and Excel. A student may be awarded Microsoft Office Master by achieving 4 MOS certificates. In addition, as shown by the table below, MOS and MOE courses can be credited to NCEA in a process called 'credit inclusion' as replacements for Unit Standards, at the end of an academic year. The key advantages of this course is that it is **multi-level** (Years 12-13), **personalised** (choose which applications and how many) **on-line and completed at a student's own pace**.

Entrance to this course is by application to (or invitation from) Whanau Leaders or Senior Leadership Team.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

MULTI MATERIALS TECHNOLOGY (3TEM)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	At least 3 out of 4 of the Achievement Standards passed at level 2 or 22 credits in Level 1 Multi-Materials Technology or HOLA agreement.
Fieldwork:	Nil
Approximate Course Costs:	\$80
Course Leads to:	Tertiary Study in Technology related studies
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Jowers-Wilding
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

This course is based on the Technology Curriculum and will be assessed against four Technology Achievement Standards. It provides the opportunity for students to gain up to 20 credits at Level 3. There is no examination; however one Achievement Standard will be assessed through external marking. Students will use a technological approach to develop innovative and creative problem solving skills. Advanced practical skills in a wide range of materials are encouraged along with the learning of techniques and processes. All the standards will be attached to a unit of work on 'Innovation'.

Please note students can choose only one from of the following Technology options: 3TEM, 3TET, 3TEF.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

MEDIA STUDIES (3MED)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	14 Credits at Level 2 Media Studies or application and acceptance by TIC (Strong English or History grades an advantage for students new to the subject).
Fieldwork:	Field trip to either a media industry, tertiary institution or a film viewing
Approximate Course Costs:	Anywhere between \$20-50 approximately. (tbc) Students are expected to pay for all trips taken and film screenings at the end of the year. Each trip planned may have different costs.
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Greenstreet
HOLA in charge of subject:	Ms Pinnell

COURSE OUTLINE

In Level 3 Media Studies students will develop their skills of analysis and focus on close reading of current affairs/documentary film, research of media issues, and a genre study of Science Fiction film. Students will be introduced to a range of new theoretical approaches that will prepare them for any further tertiary study and enable them to approach the subject in a thorough, critical fashion.

The practical component of the course will cover a major documentary production using a range of technologies and narrative approaches. This is an involved project, and is a highlight of the year for many. Scholarship Media Studies is also available to all students, which builds on the skills and theoretical approaches developed over all 3 years of senior Media Studies.

Media literacy is a very important aspect of our lives that deserves further critical scholarship and investigation. Students will find this course fun and challenging as they further their understanding of the various concepts in the changing media and our society.

Students are strongly encouraged to bring their own devices like laptops, cameras and earphones to enable a smoother learning process.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

MUSIC PRACTICAL (3MUP)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits in NCEA Level 2 Music or at the discretion of HOLA. The ability to read music and play an instrument is essential for those who intend to do NCEA Level 3 Practical Music
Fieldwork:	Attendance at concerts which relate and support the student's focus of study. Possible attendance at composition workshop
Approximate Course Costs:	Accompanist for solo performances \$100 (approximate and optional)
Course Leads to:	Tertiary Study in Music and Performing Arts Courses
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Treneman
HOLA in charge of subject:	Ms Treneman

COURSE OUTLINE

This course builds on the experiences of Level 2 Music and will prepare students for study at tertiary level. The course focuses on the composition and performance of music. While composing and performing, students are actively listening and developing aural sensitivity. The students will be given the opportunity to present performances as both a featured soloist and as a member of a group, and compose a variety of pieces of music which demonstrate a range of technical and creative skills. This course will suit the student who enjoys performing and composing music. Students must play an instrument and should be learning either through the Itinerant music scheme or privately. Please be aware that the performance Achievement Standards will be assessed during evening concerts open to the school community.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

MUSIC STUDIES (3MUS)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits in NCEA Level 2 Music or at the discretion of HOLA. The ability to read music is essential is those who intend to do NCEA Level 3 Music Studies
Fieldwork:	Attendance at concerts which relate to and support the student's focus of study
Approximate Course Costs:	Performances \$30
Course Leads to:	Tertiary Study in Music and Performing Arts Courses
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Treneman
HOLA in charge of subject:	Ms Treneman

COURSE OUTLINE

Level 3 Music Studies builds on the experiences in Level 2 Music and prepares students for entry into tertiary courses. Students will have the opportunity to develop their literacy in music. This involves the development of knowledge and skills relating to styles, genres, technologies, and musical structures. The course focuses on the analysis of music, understanding the way a composition is structured and understanding the background or context of musical works. It also gives students the opportunity to research an area or topic of music of their own choosing.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

OUTDOOR EDUCATION (3OED)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 AS credits from 2OED and a high level of participation and effort in 1OED. Approval from HOD
Fieldwork:	3 day surfing camp at Raglan, 4 day sailing trip aboard Steinlager II, 3 day leadership camp in Hunua, 4 day snow trip and climbing camp, 2 day white water Kayaking trip
Approximate Course Costs:	\$850
Course Leads to:	University, Sport and recreation courses, Adventure Tourism, Recreation
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Williams
HOLA in charge of subject:	Mr Saville

COURSE OUTLINE

Level 3 Outdoor Education students will further push their personal boundaries in the outdoors while learning many valuable life skills to prepare them for their next journey after school. We begin the year with our Risk Management surfing unit where students identify the how to safely manage themselves while learning to surf on a three day trip to Raglan. Students will then plan and facilitate a three day leadership camp in the Hunua Ranges with all of the year 11 OED classes. On this camp students will get to experience what it is like to be an instructor in the Outdoor Industry. We also spend four days aboard the Steinlager 2 yacht, where students learn how to crew the ship while sailing around the Hauraki Gulf and Great Barrier Island. In Term Three our practical unit is Rock Climbing where we prepare for the Central North Island climbing and mountain camp based in Tongariro National Park. Students will learn basic snow craft and climbing skills with the attempt to summit Mt Ruapehu and a day on the slopes skiing or snowboarding (weather permitting). The finale of the year is a three day Whitewater Kayak survival trip down the Mohaka River where students have the chance to put all of the skill learnt during their time in OED to practice by cooking on fire, building shelters, living out of the boat and utilising the kai the river may provide.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

PHYSICAL EDUCATION (3PED)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Physical Education (should include AS 2.2) or HOLA approval AND shown a high level of effort and commitment in 2PED
Fieldwork:	Off site fitness and sport training,
Approximate Course Costs:	Some off-site practical work approx. \$100.
Course Leads to:	Tertiary Study and Scholarship
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Saville
HOLA in charge of subject:	Mr Saville

COURSE OUTLINE

Level 3 Physical Education is an exciting course that promotes learning in, through and about movement. The course requires a more in depth study of how the body works and how to train it. In this course we bring together knowledge in sport, sociology and science through the disciplines of human physiology, psychology, biomechanics, evaluating physical activity experiences, health promotion and researching critical issues in physical activity. This course has the potential to further students critical thinking and understanding to lead to exciting career opportunities in fields such (and not limited to) education, health professions, coaching and fitness industries and sport and exercise science. Theory is applied to the practical situations, sports and activities. The contexts in the practical will vary but will include a selection individual and team sports and fitness training.

Please note: If you are also taking 3OED in Year 13 you may be required to take one different achievement standard due to clashes of credits.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

PHYSICS (3PHY)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	10 credits in NCEA Level 2 Physics including 10 Credits in Level 2 Mathematics (Achievement Standards) Students who do not meet the above prerequisites but who still wish to study Physics at NCEA Level 3 will require the HOD's endorsement.
Fieldwork:	There may be opportunities for careers-oriented visits and/or opportunities to explore real-work physics, e.g. amusement park physics (to be confirmed)
Approximate Course Costs:	\$20.00 (Education perfect online resources)
Course Leads to:	Tertiary Study in Physics or related fields (see Target Group above).
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Raj
HOLA in charge of subject:	Mr Kumar

COURSE OUTLINE

Physics is the study of matter, energy and forces. In Level 3 Physics students develop understanding of physics concepts and principles and their applications. Practical investigations are a vital part of the course and contribute to the internal assessment AS91521. Outstanding students may choose to sit the Physics Scholarship exam at the end of the course. Students are required to carry out calculations using formulae and describe and explain physics concepts. Topics: 1. Experimental Physics; 2. Mechanics (translational, rotational and simple harmonic motion); 3. Waves; 4. Direct Current Electricity and Capacitance; 5. Electromagnetic Induction; 6. Alternating Current; 7. Atomic Spectra; 8. Photoelectric effect; 9. Nuclear Reactions

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. SPANISH (3SPH)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	Students must sit all the standards and obtain at least 10 credits in NCEA Level 2 Spanish. An interview might be required at the discretion of the TIC.
Fieldwork:	Possible competitions: debating and speech competitions
Approximate Course Costs:	Course Costs \$30 including the yearly subscription to Education Perfect website.
Course Leads to:	Tertiary studies
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Miss Grall
HOLA in charge of subject:	Ms Lodge

COURSE OUTLINE

"One language sets you in a corridor for life. Two languages open every door along the way." Frank Smith

Level 3 Spanish consolidates students' confidence to express and exchange ideas to establish real communication in Spanish.

Students will gain the skills to understand authentic and up to date materials (magazines, movies, internet sites), to express opinions, to retell stories and events, to present facts and arguments to inform, persuade on a range of topics such as current environmental, cultural and social issues.

The assessments consist of a writing portfolio, a spoken presentation, a reading exam and a listening exam.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. SPORTS LEADERSHIP (3SPL)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	Level 2 PED, 12SPL, Subject to TIC & HOLA approval
Fieldwork:	Primary School visit
Approximate Course Costs:	Approximately \$30
Course Leads to:	Tertiary study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	
HOLA in charge of subject:	Mr Saville

COURSE OUTLINE

Level 3 Sports Leadership promotes learning in, through and about movement and is a progression from Level 2 Sports Leadership. The students will complete a selection of the standards below that range from evaluating training programmes, communication and feedback within a team situation, and evaluate what it means to have lifelong well-being. This course has the potential to further students understanding to lead to exciting career opportunities in fields such (and not limited to) education, health professions, coaching and fitness industries. Theory is applied to the practical situations, sports and activities. The contexts in the practical will vary but will include a selection of activities such as individual and team sports and fitness training.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

STATISTICS & PROBABILITY (3SAP)

COURSE INFORMATION

Qualification and level: NCEA Level 3
 Course Prerequisites: Merit or better in AS91264, AS91267, AS91261 and one Level 2 English achievement standard.
 Fieldwork: -
 Approximate Course Costs: Workbook \$35, FX9750GII Casio Graphic calculator -approximately \$120 is compulsory

Course Leads to: This course will lead to University courses in biological sciences, statistics, commerce and any fields where data collection and analysis are important.

Course Provider/Assessor: Botany Downs Secondary College
 Teacher in charge of subject: Ms Bennet
 HOLA in charge of subject: Ms Bennet

COURSE OUTLINE

Level 3 Statistics & Probability will assess six Statistics Level 3 achievement standards giving a total of 24 credits. The aims of this course is to extend students' abilities to tackle modelling and problem-solving situations, to provide a first course on probability procedures based on the normal, binomial and Poisson distributions and to develop students' awareness of the usefulness and wide range of applications of statistical investigation and statistical literacy.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

STATISTICS & PROBABILITY ALTERNATIVE (3SPA)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	At least 14 credits in NCEA level 2 Mathematics and Statistics including AS91264, AS91267 and AS91265 or one Level 2 English achievement standard.
Fieldwork:	Nil
Approximate Course Costs:	Workbook-\$35, FX9750GII Casio Graphic calculator -approximately \$120 is compulsory
Course Leads to:	This course will lead to University courses in biological sciences, statistics, commerce and any fields where data collection and analysis are important.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Bennet
HOLA in charge of subject:	Ms Bennet

COURSE OUTLINE

Level 3 Statistics & Probability-Alternative will assess five Statistics Level 3 achievement standards giving a total of 20 credits. The aims of this course is to extend students' abilities to tackle modelling and problem-solving situations, to provide a first course on probability procedures based on the normal, binomial and Poisson distributions and to develop students' awareness of the usefulness and wide range of applications of statistics.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy

TE REO MAORI (3MAO)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Maori
Fieldwork:	N/A
Approximate Course Costs:	N/A
Course Leads to:	Tertiary Study at University
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Lodge
HOLA in charge of subject:	Ms Lodge

COURSE OUTLINE

By the end of NCEA Level 3, students can take part in general conversation with speakers of te reo Māori, understand most of what is said, and contribute relevant comments. They can explain and discuss many of their own ideas and opinions and may use te reo Māori creatively. They can read a variety of authentic te reo Māori materials and write expressively for a range of purposes. Students use a range of strategies to help them learn te reo Māori effectively, and they demonstrate a high level of fluency for a learner of te reo Māori as a second language. The NCEA Level 2 course is the building block for NCEA Level 3 and helping students develop further independence in te reo Māori.

The NCEA Level 3 course develops student skills in six different language modes—Listening, Reading, Viewing, Speaking, Writing and Presenting. In each of these modes students should be able to meet the following achievement objectives: communicate about certainty and uncertainty, possibility and probability; develop an argument or point of view with reasons; recount a series of events to inform, persuade or entertain; communicate the same information in different ways for different audiences; respond to selected texts in te reo Maori that are about te reo and tikanga Maori.

The usual mode of provisioning the Te Reo courses at each level is through Te Kura (The New Zealand Correspondence School) with the support of a Maori language specialist in the College.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. “What is your pathway?” Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

TEXTILES TECHNOLOGY (3TET)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Technology or 20 credits in Level 1 Technology
Fieldwork:	Students may have on-going field work to confer with their client (if they choose to produce a garment for someone other than themselves). Trip to fabric retailers to research fabric and trim options for the major project. Opportunity to experience WOW and the costume department of the Royal New Zealand Ballet in Wellington. Approximate cost: \$350 if undertaken. Visit to a fashion design company based in Auckland.
Approximate Course Costs:	\$40 to cover class materials and a sewing kit. Students are to supply their own fabric and pattern for garment production.
Course Leads to:	Tertiary Study in Design and technology related studies
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Lynskey
HOLA in charge of subject:	Mr Achary

COURSE OUTLINE

Level 3 Textiles Technology focuses on refining the creative and technical skills required to pursue a career in the fashion or textiles industries. It provides the opportunity for students to gain 20 credits at Level 3. Students will build a portfolio of work using a technological approach to develop innovative and creative problem solving skills. A key feature of the main project for Level 3 is to choose an authentic context and issue to work with. Depending on the student's personal interest, a context could be chosen with a need in a variety of areas within the textiles industry, such as; fashion, theatre, or interior design. Students are encouraged to meet designers to gain an understanding of this process within the real world. Use of a wide range of practical skills is encouraged to reinforce and further develop their learning. Students who partake in this course will be preparing themselves for tertiary study in fashion, costume or interior design or to pursue a career in the textiles industry. The second project is a short unit of work where student will aesthetically enhance a chosen product through the use of applied design techniques. Please note, there is the option of substituting AS 3.26 for AS 3.3. This will depend on the student's strengths within a particular discipline and will be in consultation with the teacher.

Please note students can choose only one from of the following Technology options: 3TEM, 3TET, 3TEF.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

TRAVEL & TOURISM (3TSM)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	60 credits at Level 2, Literacy at Level 2 (5 reading/5 writing) Or 17+ Tourism Level 2 credits.
Fieldwork:	Nil
Approximate Course Costs:	\$70
Course Leads to:	Tertiary Study in Travel and Tourism Programmes
Course Provider/Assessor:	Botany Downs Secondary College, Travel Careers & Training
Teacher in charge of subject:	Mrs Brook
HOLA in charge of subject:	Mr Andrew

COURSE OUTLINE

Level 3 Travel and Tourism is a vocational subject in which students achieve unit standards that allow them to work towards study at tertiary level. Travel and Tourism is one of New Zealand's fastest growing industries and the school recognises this fact. The Level 3 course provides interested students with a foot in the door in this exciting industry. In this course, students will identify and explain the history of, natural attractions and significant sites in tourism Māori. They will look at popular tourist regions such as Australia, the Pacific Islands and Asian countries. Students will be able to locate destinations, key geographical features, attractions and activities in Australia, the Pacific Islands and Asian countries as well as describe travel information that would assist tourists visiting these countries.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

VISUAL ART - DESIGN (3DES)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	16 credits in NCEA Level 2 Art Design or HOD approval
Fieldwork:	Field trip and costs are yet to be confirmed
Approximate Course Costs:	\$70 including final folio board printing
Course Leads to:	Tertiary Study in Design fields.
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Cunningham
HOLA in charge of subject:	Ms Clapperton

COURSE OUTLINE

Design is within the Visual Art Department. Design is a discipline. If done well, it facilitates this exchange by presenting new ideas, products and services in a way that draws the viewer in and communicates information clearly and concisely, with as little effort on the part of the viewer as possible. Design is the architecture of information and designers work in almost every vocation in the modern world. Level 3 Design provides an introduction to the necessary skills and tools for students considering a career in any design based field. This course will cover a variety of media and software applications in order to give a broad base of knowledge. Specifically students will have an introduction to illustration, typography, identity design, image manipulation, advertising and animation in a variety of media. Leading design software such as Illustrator, InDesign and Photoshop CC will help students to collate and present their ideas into a final outcome. This is an exciting course that will help students focus on the best of traditional art and computer-aided design into one discipline. Students will have the freedom to explore a topic or theme of their choice for their folio board assessment and the media they choose to present this in. Students must be able to use a computer confidently. Students will be using their own device during this course and so must purchase a copy of Adobe Photoshop CS6 or higher. Recommended Adobe CC suite which is purchased offline for a monthly fee from Adobe. Information on purchasing the required programmes can be found at <https://creative.adobe.com/en/plans?plan=edu> at AUS\$14.99/month (current special for students/teachers) for multiple programmes. Adobe normally have special deals at the beginning of the year for students, so it may end up cheaper than this.

Note: this is an artistic subject. Students must be creative and must be ICT literate and be very confident with using a computer.

Students who did not take Level 2 Design will need to submit a portfolio application to be considered for this course. Applications can be obtained from Miss Clapperton (HOD of Art).

Please note students can only take a maximum of two subjects from Visual Art: Painting (3ART), Photography (3PHO) or Design (3DES) at Year 13, and are warned against taking 2 Art subjects and another 3rd large internal subject.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy: (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading: (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

VISUAL ART - PAINTING (3ART)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	12 credits in NCEA Level 2 Visual Art or HOD approval
Fieldwork:	Top Art Exhibition
Approximate Course Costs:	\$10
Course Leads to:	Tertiary Study in Fine Arts
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Mr Clark
HOLA in charge of subject:	Ms Clapperton

COURSE OUTLINE

Students will choose either Printmaking or Painting for their studies. They will engage in an in-depth study of either of these two disciplines. The course allows each student to follow an individual pathway in order to produce original work. To meet the requirements of the standards, students need to extend their knowledge of art making methods and ideas within their chosen field. Self, peer, collaborative and teacher assessment will be part of the learning process.

Students who did not take Level 2 Visual Art will need to submit a portfolio application to be considered for this course. Applications can be obtained from Miss Clapperton (HOD of Art).

Please note students can only take a maximum of two subjects from Visual Art: Painting (3ART), Photography (3PHO) or Design (3DES) at Year 13, and are warned against taking 2 Art subjects and another 3rd large internal subject.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing

VOCATIONAL PATHWAYS

Vocational Pathway information helps with future career planning. Each Standard has been aligned to a potential Pathway, reflected by a tick in the relevant column of the table. "What is your pathway?" Please refer to page 5 in this book or pages 22 and 23 in the Level 1-3 Information Book for more information regarding Vocational Pathways.

VISUAL ART - PHOTOGRAPHY (3PHO)

COURSE INFORMATION

Qualification and level:	NCEA Level 3
Course Prerequisites:	16 credits in Level 2 Photography or very successful Level 2 Visual Art /Design (portfolio application and HOD approval)
Fieldwork:	Top Art Exhibition
Approximate Course Costs:	\$60 including final folio board printing
Course Leads to:	Tertiary Study
Course Provider/Assessor:	Botany Downs Secondary College
Teacher in charge of subject:	Ms Clapperton
HOLA in charge of subject:	Ms Clapperton

COURSE OUTLINE

In Level 3 Photography students will continue studying Digital Photography and its many uses in today and tomorrow's technological world. Level 3 Photography builds on the Level 2 Photography work but requires a greater depth of analysis and justification of photographic methods. Presentation is also expected to be of a much higher standard. Using Photoshop, understanding file systems, setting up a studio with lights, planning, taking and creating digitised images are some of the practical skills that will be enhanced during this course. There is no external examination, students will complete 3 projects throughout the year contributing to the required Standards. Students are to have their own good quality digital camera (at least 7MP with manual features; Aperture and Shutter Speed), a storage device to transfer files to and from home (4 or 8 GB USB recommended).

Students must be able to use a computer confidently. Students will be using their own device during this course and so must purchase a copy of Adobe Photoshop CS6 or higher. Recommended Adobe CC suite which is purchased offline for a monthly fee from Adobe. Information on purchasing the required programmes can be found at <https://creative.adobe.com/en/plans?plan=edu> at AUS\$14.99/month (current special for students/teachers) for multiple programmes. Adobe normally have special deals at the beginning of the year for students, so it may end up cheaper than this.

Note: this is an artistic subject. Students must be creative and must be ICT literate and be very confident with using a computer.

Students who did not take Level 2 Photography will need to submit a portfolio application to be considered for this course. Applications can be obtained from Miss Clapperton (HOD of Art).

Please note students can only take a maximum of two subjects from Visual Art: Painting (3ART), Photography (3PHO) or Design (3DES) at Year 13, and are warned against taking 2 Art subjects and another 3rd large internal subject.

This is a NCEA Level 3 approved subject.

STANDARDS

Standards for this course will be selected from those listed below and are at the discretion of the HOLA
 Level 2 Standards that contribute to Literacy and Numeracy are indicated by (L) = Literacy; (N) = Numeracy
 Level 2 & 3 Standards that contribute to UE literacy requirements are indicated by (R) = Reading; (W) = Writing
