## M: The Purpose of the Privacy Act, 1993

### I hereby acknowledge:

- The information in this enrolment application has been provided voluntarily.
- The Board of Trustees of Botany Downs Secondary College is collecting the information for the purpose of providing a database of information relating to the future education, guidance, monitoring and reporting of students' progress and pastoral care. In an emergency, at the discretion of the Principal, information from the file could possibly be given to an agency such as the police or a doctor.
- We will share personal information about students' progress and well-being with those people named in our records as the parent(s), caregiver(s) or guardian(s) of that student. We will only share other personal information with the parent(s), caregiver(s), guardian(s) or extended family/whānau of a student who are noted in our records as able to receive that information.
- The information collected may be used for a variety of statistical and research purposes, while ensuring that no individual can be identified.

## N: Declaration of Usual Place of Residence

For the purpose of enrolment, the home address given on this form **MUST** be the student's usual place of residence when the college is open for instruction. In-zone students must reside in the college zone.

The Ministry of Education has advised that parents should also be informed of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement which they intend to be only temporary. For example:

- Renting or residing in-zone on a short-term basis (any rental agreement must be for a minimum of one year)
- Arranging a temporary board in-zone with a relative or friend
- Using the in-zone address of a relative or friend as an "address of convenience" with no intention of living there on an ongoing basis.

**If the Board of Trustees has reasonable grounds for believing that the given in-zone address will not be a genuine, on-going living arrangement, the Board may decline the application for enrolment.**

After attendance has begun, if the college learns that the student no longer resides at the in-zone address which was given at the time of application, and we have reasonable grounds to believe that the in-zone address has been used for the purpose of unfairly gaining priority of enrolment, then the Board may annul the enrolment. This course of action is under Section 110A of the Education Act 1989.

**If the student moves out of zone, an application must be made IN WRITING TO THE BOARD OF TRUSTEES for permission for the student to remain at Botany Downs Secondary College.**

I confirm that I will advise the College of any subsequent change of address

I confirm that this is the student's only residential address

# Itinerant Music Programme Application • 2022

The Ministry of Education fund a small number of hours for the tuition of instrumental music. This involves specialist teachers coming to the school to give small group tuition to selected students. **The students are timetabled to have their lesson during school hours. This means that they will be out of their normal classes for half an hour and it will be their responsibility to catch up on the class work that they miss during their absence.**

**At this stage the following instruments will be on offer:**

- Flute
- Trumpet
- Violin/Viola
- Singing
- Trombone
- French Horn
- Bass Guitar
- Clarinet/Saxophone
- Drums
- Guitar
- Cello/Double Bass

We are very fortunate to have a selection of instruments with a high calibre of Itinerant Teachers working at Botany Downs Secondary College.

Students are to supply their own instrument or they can hire them from:

#### **KBB Music Epsom**

377 Manukau Rd, Epsom

Phone: 0800 775 226

email: [hires@kbbmusic.co.nz](mailto:hires@kbbmusic.co.nz)

#### **KBB Music Botany**

Shop 42 Botany Town Centre

Phone: 09 271 2642

email: [botany@kbbmusic.co.nz](mailto:botany@kbbmusic.co.nz)

#### **Musicworks**

<http://www.musicworks.co.nz/instruments-to-hire/>

Please contact one of these stores directly, for information regarding their conditions of hire.

Places in the itinerant programme are limited. The intention of the programme is to provide an opportunity for students to learn an instrument rather than providing additional lessons to students who already receive tuition in the instrument from either private lessons or other institutions.

Students will be notified of their lesson day once all details with the Itinerant teachers have been completed. Where possible we will try to rotate the student's lesson so they do not miss the same subject each week. It is the responsibility of the student to check each week for their new lesson time, remember to attend the music lesson and to be prompt. Any absences from a lesson must be excused. It may be possible for a lesson time to be re-scheduled to avoid clashing with assessments or class trips.

**By accepting a place in this Itinerant Music Programme, the student is committing themselves to a whole year's tuition and an expectation that they attend regular practice. All students involved in this programme are expected to make themselves available to participate in the co-curricular groups if required.**

If you are interested in your son or daughter taking advantage of this programme please return the attached form to the school office with your enrolment application. This will enable the programme to get under way early in the new school year.

**If you have any queries regarding the programme, contact our Head of Music.**
