## L: The Purpose of the Privacy Act, 1993

**I hereby acknowledge:**

- The information in this enrolment application has been provided voluntarily.
- The Board of Trustees of Botany Downs Secondary College is collecting the information for the purpose of providing a database of information relating to the future education, guidance, monitoring and reporting of students' progress and pastoral care. In an emergency, at the discretion of the Principal, information from the file could possibly be given to an agency such as the police or a doctor.
- We will share personal information about students' progress and well-being with those people named in our records as the parent(s), caregiver(s) or guardian(s) of that student. We will only share other personal information with the parent(s), caregiver(s), guardian(s) or extended family/whānau of a student who are noted in our records as able to receive that information.
- The information collected may be used for a variety of statistical and research purposes, while ensuring that no individual can be identified.

## M: Declaration of Usual Place of Residence

For the purpose of enrolment, the home address given on this form **MUST** be the student's usual place of residence when the college is open for instruction. In-zone students must reside in the college zone.

The Ministry of Education has advised that parents should also be informed of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement which they intend to be only temporary. For example:

- Renting or residing in-zone on a short-term basis (any rental agreement must be for a minimum of one year)
- Arranging a temporary board in-zone with a relative or friend
- Using the in-zone address of a relative or friend as an "address of convenience" with no intention of living there on an ongoing basis.

**If the Board of Trustees has reasonable grounds for believing that the given in-zone address will not be a genuine, on-going living arrangement, the Board may decline the application for enrolment.**

After attendance has begun, if the college learns that the student no longer resides at the in-zone address which was given at the time of application, and we have reasonable grounds to believe that the in-zone address has been used for the purpose of unfairly gaining priority of enrolment, then the Board may annul the enrolment. This course of action is under Section 110A of the Education Act 1989.

If the student moves out of zone, an application must be made **IN WRITING TO THE BOARD OF TRUSTEES** for permission for the student to remain at Botany Downs Secondary College.

I confirm that I will advise the College of any subsequent change of address
